

## Nature People - Gnomes - Fairies - The Magic With The Little People

Christian Von Lahr and Christopher Valentine talk with The Nature People and through these experiences share the information through books, workshops and personal counseling. This is fascinating stuff.

We spend a lovely hour with Christian who is an internationally known clairvoyant Psychic Medium and Medical Intuitive; and Christopher who co authored these insightful books.

You'll learn about the third eye, the subconscious, the etheric plane and simple techniques to help you along in your spiritual journey. How to attract your Soul Mate? Is there just one person for you? Dreams, Soul Travel and fun stories from all complement this show and well worthy of your attention.

May The Blessings Be.
