

Constitutional Courts - Our Right & Possible To Attain

One would think that having a Constitutional Court is well, Constitutional and an everyday occurrence. As you'll hear from Jack and Margy Flynn, nothing could be further from the truth. The Flynns have had great success in Nevada establishing Constitutional Courts on a case by case basis.

Jack and Margy clearly lay out the real issues going on in the courts today. We the people are treated as Corporations, not living men and women. And, as such we have absolutely no rights as laid out in the United States Constitution.

These two courageous Souls teach how to establish a Constitutional Court and have won over 250 cases in New Mexico. Visit their website, [Citizens of The American Constitution.org](http://CitizensofTheAmericanConstitution.org) where you can purchase DVDs of their weekend workshops the teach Nationwide.
